WHO WE ARE

We've been present at every level of gaming

Our leadership didn't start in talent acquisition. We made games, developed them, and took them to launch. Our Game & Digital Entertainment recruiters have a deeper, complete understanding of digital entertainment and what it takes to succeed in one of the most competitive markets in existence. No matter the hiring obstacle, we will find the talent you seek.

About us

Request Talent

Our Specialty: Strategically Important or Critical Hire Positions. The jobs you MUST fill ASAP!

Seek A New Work Adventure

Finding your professional home isn't easy. We work with some of the most prolific names in gaming and they need talent like YOU!
